KERRVILLE AND CENTER POINT NURSERIES

“WE GROW THE BEST A LITTLE BETTER”

Established in Kerr County in 1897
Fifty Acres in Orchard and Nursery

Members Southwestern Association of Nurserymen
and American Association of Nurserymen

Kerrville, Texas, Oct. 20, 1923

While we have a more complete stock than for several years, it will be to your interest to order at once. Orders are coming in now very fast, and some of the best varieties will be all booked before a tree is dug this season. We can insure delivery only as to grade and varieties, on orders sent in promptly.

We pay express to nearest railroad point on all orders of \$5.00 or more where cash is sent with order.

We guarantee all our stock to be healthy and vigorous, well packed in good condition to grow, and true to name. We do not guarantee trees to live for any given length of time. We replace trees on the terms of the above guarantee, but it is mutually agreed that we assume no responsibility for more than the original purchase price of trees, paid to us.

You will note that we are making a very low special price on our commercial grade. These trees are thrifty, well rooted stock, the best we have ever offered in this grade. We feel sure you will be highly pleased in every way with these trees. We have felt the need for several years of a cheaper tree for the fruit grower and have priced these trees to fill this want. However, these prices are good only for our present stock and are subject to change without notice.

All our stock will bear a State Inspection Certificate of Health.

Terms: Cash on or before delivery. Payable at Kerrville, Texas.

We have the most complete line of evergreens grown in Texas. If interested write for "Special Evergreen" price list.

PEACH
